

You can't be an employee, teacher and parent all in the same moment.

Let us help you
so you can continue
to help others.

In partnership with TriHealth, a Parent ConnexTM Parenting Specialist can provide practical support and encouragement virtually to support you as a parent through this trying time.

Available for ALL
TriHealth Employees.

Reach out to us for complimentary parent coaching by contacting Katie Helmes at khelmes@beechacres.org or 513.233.4715.
