

Healthy Minds, Successful Students

Virtual Town Hall

The pandemic, children's mental health and their school performance. Grab your lunch and gather with us for **Healthy Minds, Successful Students** Virtual Town Hall.

Beech Acres provides mental health and other services to students, teachers and parents in 40 schools in the region. COVID 19 has added considerable stress for everyone. CEO Jim Mason will lead a thoughtful discussion with panelists from Beech Acres and one of our partner schools, Cincinnati College Preparatory Academy, on how we have creatively responded to the crisis together.

Join the conversation during our Q and A session after the panel discussion.
