

DID YOU KNOW...

over 600 kids need a safe & loving home each night. If less than 1% of all households in Montgomery County stepped up to help, the problem would be solved.

In System

In Population

Black children are disproportionately represented in the child welfare system.

LGBTQ+ foster children need love, support and understanding from someone who understands them.

Beech Acres Parenting Center surrounds the foster parents and children with support.

Foster Parent Tool Kit

- Extensive Training
- 24/7 Support
- Therapy for Children

165

As of January, 165 children were ready to be adopted.

Standing behind foster parents that stand up for children for over 40 years.
